无形社会话题(大类)

第二段: The unprecedented economic growth has led the public to focus attention primarily on material benefits and business profits, alerting us to the possible disastrous moral decline in this newly-rich society.

Fortunately, a set of virtue codes have steadfastly held the ground, bringing about ever responsible citizens of the society and nurturing(培育) the growth of culture at the same time.

主题 is surely one of the most prominent. People can obtain financial/ material aids, mental comfort or spiritual back from. A belief is deeply rooted in the Chinese dream and noncontroversial that our ardent(深深的) love for life will promise the prosperity of this life-affirming force.

To a large extent, it also enlightens us to wonder the meaning of life. So, the surest way is to commit ourselves to striving for a decent and desirable goal with the guidance of this quality.

描述主题, which has exerted profound impact on the daily life of the average individuals. We can easily recognize its advantages as follows: ___. However, for all the advantages mentioned above, online trading is by no means without its limitations as listed below: ____.

有形社会话题 (大类)

Wise people used to say that taking actions is of utmost significance in our daily life. Studying it further, it is easy to figure out that taking actions is the only way to fulfill our dream.

Our country, for example, has developed rapidly in terms of economy and science and technology. We have accomplished in about two decades what other emerging countries used to achieve in a century. There is no denying that it is the perseverance and taking actions (主题) that really realize the promise they made. In a word, I believe, just like Forrest Gump said: "Life is like a box of chocolates: you never know what you' re get." Unless you have the awareness that action speaks louder than the word.

个人能力和品质 (具体现象)

This human quality is part and parcel to the personal growth. Without the <u>courage</u> to engage in unknown journey and to embrace unexpected detours or setbacks we should have no any advance to speak of.

Doubtless, this quality lies at the core of the blueprint to success. Our era prizes people who process this attribute as winners. The success story of jack ma, who has no educational background in technology or top-tier universities, the most profitable online retailer in china, offers us a **good example in point**.

重要主题 (具体现象)

The picture does tells us that nothing can be compared with 主题 when it comes to the cultivation of individual characteristics. Individuals, enterprises, organizations and even the whole society stress the fundamental role of 主题。 Especially in the times of knowledge explosion, when the news, facts, opinions even rumors have been bombarding us from every corner of the world. We must treat it socially, economically and culturally. In a sense, it is not why something exists in today's world but what we should do to witness the ideal scene in which people can enjoy their life to the uttermost.

有害主题 (具体现象)

In no country other than China, it has been said, is this phenomenon more urgent and serious. The public fails to attach due attention to the bad effects brought by 主题. This is a shame for us to treat 主题, the divine (神圣的) cause that well-being(幸福) of the humankind, as simply a means to obtain financial aids, Needless to say, material are essential for us to sustain ourselves, but to simply equal them with wealth is a serious error. Just as an old proverb says, 主题 is a social cancer. it is difficult to contain and it rots(腐坏) the brains of the masses . (举例) is a good example in point . Were the situation to continue as it is, we would pay the high price. 后面+模板 Only in this way can we maximize the merits and minimize the demerits of 主题。

传统文化 (具体现象)

Because if they finally become just dead symbols or abstract concepts to be found in dusted books, we would be in danger of lost our uniqueness become just another state wholly consumed by the prevailing pop culture. It should be remembered that we are the people who persists into this day with records of continued civilization. It is mournful that such time-honored holidays are playing an ever insignificant role in our lives and gradually declining to the background. As so often, the past holds the key to the future, the existing traditions and cultures have to be preserved to answer the possible question to come. Therefore, it is crucial that resources and efforts be devoted to promote these traditions.

环保类

As we all know, our country has been under this growing pressure, as PM2.5, a key indicator of air. Pollution, increasingly hits the new record and even the smog smothers almost all large cities. Some researchers claim that pollution of this kind not only has direct adverse effects on our lungs but can undermine other crucial functions of human body.

As the toxic smog gradually spreads all over the nation, we cannot afford to neglect the nature's signs of warning and only take this issue as topics for gossip or perfect points for a delightful oral lashing at the powerful. We are under the imperative to the meet the challenges head-on, government agencies, NGOs, professionals and civilians all like, working hand in hand, in a bid to leave a beautiful habitat for our offspring to thrive on.
