

Ciel Medical Supplies

Located in Guangdong China, Ciel Medical Supplies has been working in medical device manufacturing for more 10 years by supplying wide range of surgical cumsumables including closed wound drainage sets, electro-surgical accessories and surgical staplers.

We always prioritize the product quality and equip ourselves with certified 100k and 10k grade clean workshop, and a superb in-house QC team and advanced testing devices.

As an export-oriented company, we are open to various OEM and ODM projects, serving the customers from more than 30 countries and supplying them with the products of good value and the services beyond expectations.

Silicone Bulb (Jackson Pratt)

Material: Silicone

Size: 100mL, 200mL, 400mL

Optional pairing with *silicone tube, trocar, urine bag.

REF No.: JP100X(T), JP200X(T), JP400X(T)

*Silicone tube available in the style of round fluted, round perforated, flat fluted, and flat perforated.

PVC 3-Spring Reservoir (Hemovac)

Material: PVC

Size: 200mL, 400mL, 600mL, 800mL

Optional pairing with connecting tube, PVC round perforated tube and trocar.

REF No.: HM200, HM400, HM600, HM800

PVC Bellow Reservoir (Redivac)

Material: PVC

Size: 200mL, 400mL, 600mL, 800mL

Optional pairing with connecting tube, PVC round perforated tube and trocar.

REF No.: RV200, RV400, RV600, RV800

Chest Bottle

Material: PVC

Size: 1600mL, 2000mL

Chamber: Single, Double and Triple

REF No.: CB1600X, CB2000X

Disposable Electrosurgical Pencil - Hand Control

Color: White/blue
Tip: Blade electrode
Cable length: 3 meters
REF No.: ESP01

Switch: Button
Function: CUT & COAG
Connector: 3-pin

Reusable Electrosurgical Pencil - Hand Control

Color: Black
Tip: Blade electrode
Cable length: 3 meters
REF No.: ESP02

Switch: Button
Function: CUT & COAG
Connector: 3-pin

Disposable Electrosurgical Pad

Backing Material: Foam
Metal Foil: Solid(monopolar) / Split(bipolar)
Size: Adult/ pediatric/ neonatal
REF No.: DM01, DM02, DM03, DB01, DB02, DB03

Disposable Electrosurgical Pad with Cable

Backing Material: Foam
Metal Foil: Solid(monopolar) / Split(bipolar)
Size: Adult/ pediatric/ neonatal
Cable length: 2 meters
REF No.: DM01C, DM02C, DM03C, DB01C, DB02C, DB03C

Reusable Electrosurgical Pad

Color: Black

Material: Silicone Rubber

Cable length: 3 meters

Connector: HiFi plug / REM plug

REF No.: REP01/REP02

Connecting Cable for Electrosurgical Pad

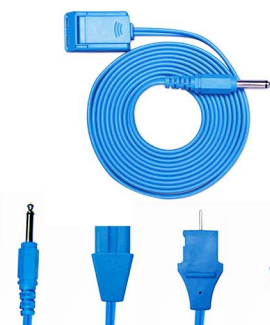

Color: Blue / Grey

Cable length: 3 meters

REF No.: GPC01/02/03/04

Material: Copper wire with PVC cover

Connector: HiFi plug, REM plug

Reusable Bipolar Forceps

Material: Stainless steel with insulated layer

Connector: US style (2-pin), EU style (Flat pin)

Model: Adson, Jeweller, McPherson, Straight, Bayonet

Tip: Straight, Angled

REF No.: BFUS series, BFEU series

Reusable Bipolar Forceps Cable

Material: Copper wire with silicone rubber cover

Model: US style (2-hole plug), EU style (flat plug)

Color: Grey

Cable length: 3 meters

REF No.: BFC01/BFC02

Disposable Skin Stapler

Staple type: Wide(W)

Staple size: 7x4mm

Staple loads: 35

REF No.: SS35W

Staple material: Medical grade stainless steel

Staple Remover

Color: White

Material: ABS+ medical grade stainless steel

REF No.: SRA1

Circumcision Stapler

Staple ring size: Ø12/15/18/23/25/30/32/34

Staple height: 3mm

Staple counts: 10/11/13/16/18/20/22/24

REF No.: CS12/15/18/23/25/30/32/34

Suture Training Pad

Material: Silicone

Size: 120x170x70mm

Layer: 3

REF No.: SPP01
