

ABOUT US

Nantong Horizon International Trade Co., Ltd was established in 2018 year, our predecessor was the LF Fitness Equipment CO., Ltd which is located in Nantong city, Jiangsu province.

Horizon Trade is committed to both the new and experienced fitness enthusiasts - whether it be Cross-training, Powerlifting, Olympic weightlifting, Roman chair, Smith machine, Rowing machine, Leg press extension machine, Squatting machine, Dumbbell rack, Barbell rack, Boxing standing etc., we have 300+ products offer for fitness professionals, studios, and gyms while never forgetting the home users.

In the past few years, We have exported to Southeast Asia, North and South America, Australia, Europe and other countries. The unanimous praise received from customers depends on our high-quality product, fast delivery time, and efficient after-sales service. So far, we have more than 10 stable customers continuously place orders.

In addition, we have obtained several SGS certificates. We examine products strictly following rules of ISO9000 quality certification system and EN957 European standards. We also welcome OEM and ODM orders. We are willing to provide you with all solutions.
